Hello Friend!

The CASA-Trinity Prevention Team is working on getting more information out into our communities, regarding medication safety and disposal.

For those who can't make it to one of the drop box locations, listed to the right of this page, we have DeTerra At-Home Medication Disposal Pouches that we can provide to those in the community.

Not only are these pouches easy to use, but you can throw them in the trash once all of the steps have been completed. *(This is a green product that uses safer technology for trash disposal)*

What can be disposed inside the FREE Large Pouch that we offer?

- Pills / Films: 90 *OR*
- Patches: 12 *OR*
- Liquids / Creams: 12 oz / 360 mL

If you're interested in these pouches, please give our Prevention Team a call at (585) 204-9003 or email LivingstonPrevention@casa-trinity.org!
