LIVINGSTON COUNTY CLERK'S OFFICE NOW SELLING NYS THRUWAY E-ZPASS®

GENESEO, NY—Andrea K. Bailey, Livingston County Clerk, is pleased to announce that the County Clerk's Office is now an authorized NYS Thruway E-ZPass® On-the Go retail location.

Drivers can purchase E-ZPass® On-the Go for \$25 for passenger vehicles at the County Clerk's Office. Once purchased, the Tag must be registered with E-ZPass®, either online or with a toll free customer service telephone number before using it. The full \$25 payment is moved to an E-ZPass® account for you to use.

"The County Clerk's Office is always looking for ways to provide beneficial services to our community," Bailey said. "We hope that by becoming a retail location it will be more convenient for people to purchase a tag especially by those who wish to travel using the NYS Thruway and/or are traveling through the seventeen additional states that take E-ZPass®."

With the new cashless tolling on the NYS Thruway, tolls by mail customers will pay 30% above the NY E-ZPass® toll rate, in addition to a \$2.00 administrative surcharge per billing statement.

E-ZPass® On-the-Go Tags also make the perfect gift, especially for those college students traveling back and forth to school.

For further information, contact the Livingston County Clerk's Office at 585-243-7010 or click here for the [E-ZPass website](#).
