### **SPECIFICATION AND INFORMATION TO BIDDERS**

1. The County of Livingston proposes to rent various pieces of equipment for use by the Highway Department. The County of Livingston will service and fuel any equipment that is rented without an operator.
2. The successful bidder shall replace any piece of equipment that is down for 24 consecutive hours or more, with an equal or larger piece at no additional charge to the County.
3. The successful bidder agrees that placing a bid to rent equipment to the County will do so without any liability to the County. The successful bidder shall supply the County of Livingston with proper insurances as called for in the bid specifications.
4. The County reserves the right to inspect and approve all pieces of equipment proposed to be rented to the County before delivery to the work site, and to reject any piece of equipment it deems unsatisfactory.
5. Accepted bid prices shall be in effect from April 2, 2025 to April 1, 2026. Length of usage of the Various pieces of equipment may vary during the contract period.
6. No additional charges are to be levied against the County for the delivery and/or pick-up of equipment to the designated work site. These charges - if any - should be included in the bid price. Delivery and/or pick-up are to be made to any designated work area in the County of Livingston.
7. If the successful bidder doesn't have a machine available at the time needed, the County has the right to go to the next lowest bidder until the County can acquire the piece of equipment needed. When equipment is rented "with operator", the operator shall be paid the prevailing wage.
8. The Public Services Committee of Livingston County has the right to reject any or all bids.
9. Political subdivisions within Livingston County may participate in contracts resulting from this bid. All purchases made by Towns and Villages shall be ordered by and billed directly to them.
